

Since 2012, Harvest Revenue Group has been a generous sponsor of both our annual Journey Gala and Sunny Side of Breakfast events. These events allow us to raise awareness and provide necessary funding for our programming. Simply put, because of their generosity, we are able to provide opportunities to single mothers and their children as they move from crisis to self-sufficiency.

At Havenwood, we operate on community support through both monetary and in-kind donations. The generous support we have received from Harvest is a critical component of our ability to provide case management for our families. Harvest makes it possible for us to provide our single mothers with financial literacy training, family and individual therapy, life skills training, job skills and parenting classes.

Their continued involvement with Havenwood shows a commitment to the betterment of single mothers, their children and our entire community. The impact of Harvest Revenue Group on our families is recognized, appreciated and long lasting. The benefits received by their support will have an impact on generations to come and that is something to be celebrated!
